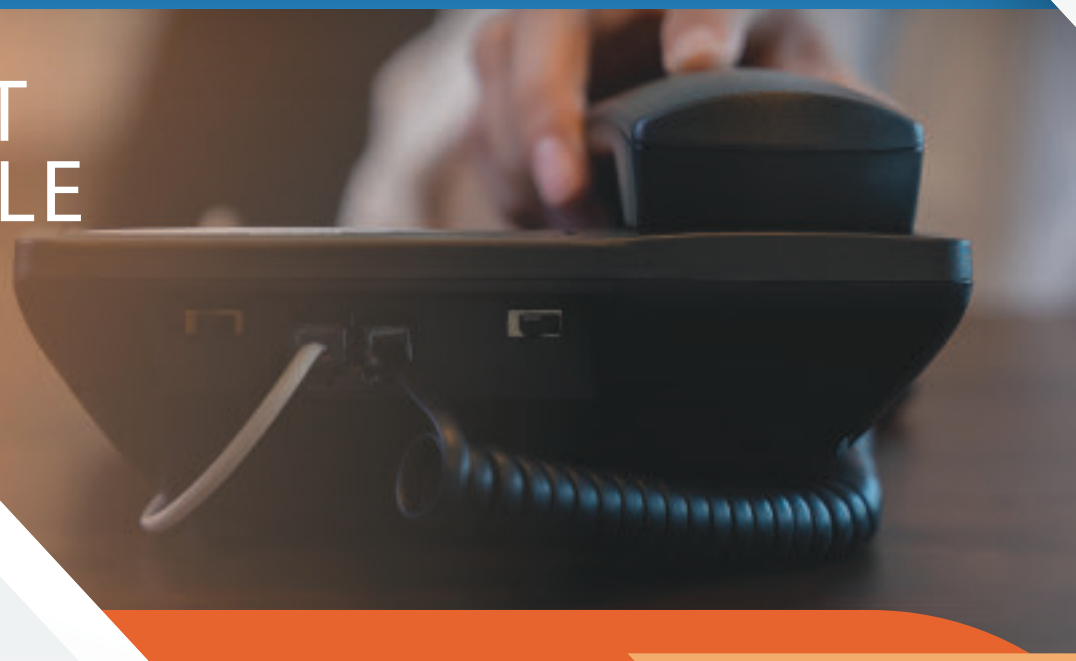
QUALITY AT AFFORDABLE PRICES

Your YesTel IP Phone System Works - Anywhere!



Cost-Efficient & Compatible

VoIP Easily Fits Your Needs

Ready to take advantage of all the benefits associated with VoIP? At YesTel, we offer complete VoIP business telephone solutions to businesses in Richmond Hill and the GTA.

Make the switch to a reputable VoIP business telephone provider today by giving us a call.

BUSINESS

Take control of your business telecommunications with VoIP telephones for clear & effective communications, and seamless collaboration.

LONG DISTANCE

Whether your business is global, or you want to connect with friends across the globe, build relationships with clear communications with our VoIP telephones!

RESIDENTIAL

Choose YES Telecom & get high-quality & reliable VoIP home phone service for a fraction of the cost of a traditional phone line.

UNIQUE ADD-ONS

We offering unique add-ons to our VoIP business telephone solutions including the ability to send and receive faxes. VoIP enables your business to do more and save more.

EASY INSTALL & MAINTAINANCE

Unlike traditional landlines which require extensive wiring, IP phones are quick and easy to install. As fast as 30 minutes, your business will be up and running.
